Hi Dave,

I got an out of office message for Michael through July 22. This isn't too urgent, but I'm forwarding to you just in case you know anything.

Thanks,  
Matt

**Subject:** SJV SIP submittal withdrawals

Hi Michael,

I wanted to follow-up on the conversation I had with Kurt (here in SF) and then subsequently with you re: the withdrawal of the SJV SIP submittals. As we discussed, the "superceding" language in the letter we got 1-2 months ago wasn't what we needed for withdrawing the 6/25/15 and 8/13/15 submittals for the SJV PM2.5 plan (1997 standard). Kurt asked whether a simple email from Richard in follow-up to that letter, asking for withdrawal, would work and we confirmed that it would. So I think we are just waiting on the email from Richard. Is that your understanding as well? Did you need anything in terms of sample language? Were you going to package it with the Ventura withdrawals or anything like that?

Thank you,  
Matt
